

## **House Bill 255**

### **Revenue for State Infrastructure Improvements**

House Bill 255 would:

- Create a revenue stream to repair aging and outdated infrastructure.
- Raise more than \$1 billion annually by increasing drivers license, automobile title transfer and automobile registration fees (\$331 million); expanding the sales tax to include candy, non-carbonated beverages and health and beauty aids (\$150 million); adjusting tax rates on wine and spirits (\$100 million); regulating video gaming (\$375 million); and, revamping the Illinois Lottery (\$150 million).
- End road fund diversions
- Prevent future sweeps of the Leaking Underground Storage Tank Fund (LUST).
- Increase truck weight limits to 80,000 pounds.
